Ruskin has FM approval Ruskin.com

Ruskin is the first Fire damper company to offer FM approved fire, smoke and fire/smoke products. Do your clients care? Do their insurance companies care?

Donco introduces plenum with damper operated from face of diffuser

Do you want a damper but don't want an access door? Raymon/Donco now Doncoair.com offers a plenum with a damper in the neck that is controlled remotely through the face of the linear diffuser. This product is considerably less expensive than remote operated cable dampers.

Titus Introduces DYNAFUSER Titus-hvac.com

The DYNAFUSER is a auto-changeover—heating /cooling plenum slot diffuser. Thus the acronym DYNAFUSER. Horizontal cool air - vertical warm air—done automatically

Ruskin redesigns AMS050

You are looking at the discharge side of the Ruskin AMS050. This unit consists of an air straightening section, an air measuring section and a damper section. This may be used to control supply or exhaust flows and will be made to the duct size. So 16 x 24—no problem. 30 x12—no problem. **Up to 18 square feet. And 4000 feet per minute.**

In the upcoming issues we will present many of these items in greater depth. If you have an immediate interest please contact us.

Flanders has low pressure HEPA housing Flanderscorp.com

The Flanders ESD (energy Saving damper) reduces static pressure requirements by .1 to .3 inches w.g.—saving somebody big bucks per year.

Ruskin introduces Snow stopping Louver Ruskin.com

Ruskin offers the ELF375DSS Snow Stopper Snow Eliminator Louver. This is a combination of a louver and a heated (when necessary) stainless steel mesh to catch the snow and melt it.

The Ions are coming ! The Ions are coming! Bentaxusa.com

I know we have been talking about this for a while but at the end of last month Carrier announced they are introducing a window air conditioning unit with an Ion generator in it and Sharp announced a refrigerator with an Ion generator to kill mold and mildew and bacteria in the refrigerator. For a clean, healthy occupied environment—install a Bentax unit

Seiho has new catalog with new products Seiho.com

Round nozzles, spot diffusers, registers. Supplies and returns, exhaust and intakes.

Over 600 chilled beams are installed this summer Troxusa.com

This summer we supplied over 300 chilled beams to each of two projects in the Boston area

Videos on You tube Youtube.com

We have put several videos onto youtube for your viewing pleasure. We have smoke tests of swirl diffusers, displacement diffusers and raised floor diffusers. We have power operated remote damper. **Tell us what you would like to see and we will try to get it for you.** We are talking about videos related to our product offering.
